

## END OF LIFE NOTIFICATION

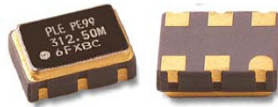

**Title**

Discontinuance of the LVDS & PECL LV93, LV98, PE93 & PE98 series Oscillators.

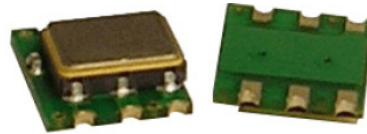

**Article:**

**Products Affected:** Pletronics **LV93XXDV, LV98XXDV, PE93XXDV & PE98XXDV series oscillators.**

**PE93/LV93**

**PE98/LV98**

**Reason:** Lack of demand and very long lead time for this pin out package.

**Alternative Sources:** Pletronics recommends a re-design to accommodate the industry standard 5 x 7mm ceramic surface mount packages with E/D on pad 1, or connecting pad 1 & 2 together on the PCB to allow one to use the LV77/PE77 or LV99/PE99 Series Oscillator.

**Last Purchase Date:** December 15, 2010 or until current stock is consumed. Supporting Legacy business only.

**Date Created**

12/15/2010

**Created By**
