| Title | SM40 SMD Crystal; 4.2mm; HC-49/US SMD 4 pads Crystal |
| Article: | <p><u>Products Affected:</u> Pletronics SM40 series crystal.</p>  <p><u>Reason:</u> Lack of demand, 4.2mm package can height is no longer available</p> <p><u>Alternative Sources:</u> Pletronics recommends the SM45 4.5mm package height as a footprint compatible replacement. This part however is not recommended for new designs. Please see our ceramic crystal series parts for the new & re-design options.</p> |
