

PRODUCT CHANGE NOTIFICATION

Title Notification of change in IC used to manufacture SMXXD, SMXXT, SMXXH, SMXXM and SMXXG series product above 70.0MHz. The change is due to an end of life notice of the current IC.

Keywords Product Change Notification: IC change SMXXD, SMXXT, SMXXH, SMXXM and SMXXG series to next product generation IC due to the end of life notice for the existing IC.

Article: **Products Affected: Pletronics SMXXD, SMXXT, SMXXH, SMXXM and SMXXG**

Description and Purpose of Change: IC change to the next product generation due to the end of life of the current generation. Oscillator performance will remain unchanged. This notice is written in accordance with Pletronics ISO requirements.

- Form, fit and function equivalent
- Comparable rise and fall time
- Reduced lead time
- The current generation of the IC has been discontinued
- **Last time order date for current generation 2021-08-31**
- **Last time delivery date for the current generation IC will be 2021-12-31**

Pletronics Inc. certifies this device is in accordance with the RoHS (2015/65/EC) and WEEE (2002/96/EC) directives.
