

## PRODUCT CHANGE NOTIFICATION

**PCN#** 04052024

**Title** Oscillator production location move.

**Description of change** Location change for oscillators produced in our Japan facility to a new facility in same area. The new facility is approximately 5km away. No changes in personnel, equipment, materials or processes.

**Article:** **Product Series Affected: LV77, PE77, HC77, LV55, PE55, HC55, LV44, PE44, SM77, SM55, SM44, SM33:**

**See attached list of specific Part Numbers affected**

**Reason for change:** Floor space expansion (+~3100 ft<sup>2</sup>) and to separate blank production to its own building.

- Effective date July 2024
- Traceability: By date code

**Date Created** 2024-04-05

**Created By** Pletronics Engineering
